### Mayor's Straight Talk

Well, it certainly has been an interesting month! It has been hard on some people for sure. But the one thing I've noticed is the tremendous generosity of the people of Ucon and the surrounding areas. From making masks to donating food, toilet paper and cleaning supplies, people have really stepped up and helped out their neighbors. This is a real testament to the good nature of the people in our area. Together we will get through this and get back to normal. Thank you all for your generosity and caring nature. You are all awesome!

Thank You,  
Mayor Sturman
